Carroll Dragon Alumni Project Underway

All Carroll Dragon Alumni are invited to attend the Digging for Dragons' Celebrity Sports Jamboree Saturday, April 23 at Dragon Stadium from 10 a.m. to 4 p.m. This event will be the first step in the establishment of the Carroll Dragon Alumni Association. Many former Dragons have already expressed interest in an Alumni Association and this event will help determine the number of local graduates who have an interest in seeing this become a reality.

A Carroll Dragon Alumni Project table will be set up at the Sports Jamboree for graduates to express interest. Old Carroll yearbooks, letter jackets, photos and other memorabilia from former high school days are needed for the table. Those interested in helping with this event or loaning Carroll memorabilia/stories should contact Trustee Sherri Williams at WilliamS@cisdmail.com.

"Once we see how many interested Dragon Alumni there are, and the energy level, it can grow from there. This Association will create an untapped resource of people who care about the future of CISD. The Celebrity Sports Jamboree event will be an opportunity to pull together a core group of local alumni who can begin work to decide future phases needed to formalize a Carroll Dragon Alumni Association," said Trustee Williams.
